

## Academy of Future Space Explorers

Mad Science and NASA have teamed up to bring you the excitement and wonder of space in the NASA Academy of Future Space Explorers After-School Program! The Academy of Future Space Explorers takes children on a voyage of discovery. Topics Include: Planets and Moons; Atmosphere & Beyond; Space Phenomena; Sun & Stars; Rocket Science; Space Travel; Space Technology and Living in Space. In every class, children build a fun and educational take-home to fuel their future explorations!

### **MONTCLAIR ELEMENTARY**
