# Orff Music

Grades k-2

Through this dynamic hands-on learning approach, kids will participate in a different musical activity each class and will explore songs, games, dances, drama, storytelling, and movement to music. We'll learn how instruments work and even make some of our own instruments! Through the magic of make-believe, children will gain basic vocal training and broaden their musical vocabulary in a fun, supportive, no-pressure atmosphere.

Parents are invited to visit class on our last class of the session: Monday, November 8, 2010 from 2:50-3:50pm.
