

Drama and  
Storytelling  
Grades k-2

The focus of the class this session will be the production of a fun and silly version of **The Shoemakers and the Elves** to be presented to families and friends on the final day. Class time will include storytelling and theater games each week. This is a fun, low- pressure class, and a great introduction to drama and performing for younger children.

Tuesdays- 2:45- 3:45 (kindergarteners picked up at 2:25)
