An institution dedicated to training in the tradition of the best choirs in America and around the world, the Pacific Boychoir has performed with the San Francisco Symphony and Opera, The UC Berkeley and UC Davis Symphonies, the American Bach Soloists, the Brazilian National Orchestra, the Moscow Chamber Orchestra, and many more.

The Pacific Boychoir is a community organization that is not affiliated with any church, ethnic group, or specific geographic area, and welcomes boys of all ethnic, economic, and geographic backgrounds. Currently in the Pacific Boychoir, there are about 150 boys from five Bay Area counties.

To be a part of the Pacific Boychoir, boys need to start with:
